The number of boxes we can supply are **limited**. Order early to avoid your family missing out on quality, locally grown produce.

Your vegetable box will consist of freshly picked, seasonal produce grown at The Jungle Farm or other members of Innisfail Growers. Generally you will receive traditional produce like strawberries, peas, beans, beets, corn, asparagus, pumpkins. To keep it fun; we may surprise you with some unusual produce. We will indulge a recipe and other information to help you enjoy all your produce in our **weekly e-newsletter**.

We are going to continue giving you the choice of **picking-your-own produce** some weeks. You will be informed before you arrive, which product, if any, will be available for you to pick that week. Some weeks there will not be a pick-your-own option available. Always pick-your-own will be weather dependent (meaning if we have hail, there will not be a choice). This is a great way to increase the value of your vegetable box.

Throughout the season, we will include some bonus items when we have lots of supply at our farm. When we have an incredible growing season and our produce is bountiful, we are happy to share the bounty with you. We feel that this is your reward for making a commitment to our farm. Sometimes **Mother Nature** makes it challenging to grow vegetables in Alberta. From time to time, we face circumstances beyond our control, daily the weather, which may make certain products limited or unavailable. Because we also offer products from other farms in the Innisfail area, we will be able to supply your dollar value each week. Let us hope for an excellent growing season so that we will have an abundance of Jungle Farm produce.

No produce substitutions will be allowed. If you are unable to utilize all of the produce in your vegetable box, we encourage you to share with a neighbour or a friend. You will also have the option to leave it for another family to enjoy. If you are choosing a half share with another family some of the items will only be one - for example cauliflower head. It will be your responsibility to cut and share these items with the other family. There will not be the choice of giving you two (even two smaller ones).

To make the program as green as possible, you will receive your vegetable share in a **reusable shopping bag**. We ask you to bring your bag back each week to have it filled with your next week's produce.

All vegetables shares will be **picked up at The Jungle Farm**. If you are unable to pick up your vegetable box, you may arrange to have it picked up for you. You understand that if your vegetable box is not picked up, the contents will be donated to charity. At no time will a refund or future credit be granted for unclaimed baskets. You agree to pay for your vegetable box in full before the start of the program.

Your vegetable box will be available at The Jungle Farm store on **Thursday or Fridays between 12-6 pm**. All the produce will be picked fresh for you. If you would be willing to pick up additional vegetable boxes and bring them back to your community, please let us know.

As always, The Jungle Farm produce is **100% quality guaranteed** and the vegetable box is no exception. Please let us know if you are unsatisfied and we will be happy to replace your produce.

Thank you for supporting our family and for wanting to provide quality produce for your family.
