

## 2026 ABC Preschool Program

(Please note: This is a fillable form.)

At The Jungle Farm, we are committed to growing the highest quality, fresh produce along with fun family activities and education. Our farm has been in our family for over 125 years and we are happy to be able to share our farm with your family.

This is the ninth year for our summer ABC Preschool Program! There is no change to our registration rates, and we are pleased to offer this program at 2025 rates. This one hour program will be **eight weeks** starting the week of July 7, 2026. The program is geared for children between **2-6 years old**. Older and younger siblings are welcome to join us. The program runs from **10:00-11:00 am** on your chosen day. Check out our 1000 outside hour challenge program for your older children. It will be a two hour program offered on Wednesdays from 10-12 (there is a separate application form for the 1000 Hour program on our website).

Each week we **focus on one letter** of the alphabet. You can expect your child to hear the sound that letter makes, have a chance to think of other words or names that start with that sound and then participate in a number of different activities based on that letter. Every week we will learn about a fruit or vegetable, how to pick it, what it tastes like and ways to prepare that vegetable at home. The activities vary from week to week but might include games, crafts, stories, wagon rides, or visiting our animals. There will also be time to play on the playground by our barn store after the program ends.

Our program **runs rain or shine**. If you are unable to attend one week, you are welcome to invite a friend to take your spot. If you have family visiting you for the week, they are welcome to join you and just pay for the drop in fee. Be sure to let us know ahead of their arrival.

Our price is for a family - which is one adult and his/her children. We welcome both parents if they are able to come. Registration is on a first come, first served basis. Some days fill up quickly. If your day is full, you will be notified so you can choose a different day. Registration is only complete when the application form and payment have been received at The Jungle Farm. You will receive a confirmation email. A waiting list will be created if needed, and if there is enough interest, another time slot will be added.

We will be offering a **drop in program** again this year for those families who are not able to come every week. Choose the days by circling on the form below. See you soon!
